FOR IMMEDIATE RELEASE

Hunt in Comfort with Redneck's All-New Portable Hunting Chair

LAMAR, MO - Redneck Outdoor Products is pleased to introduce the all new Redneck Portable Hunting Chair to an already stellar lineup of hunting products. Specifically designed to make your hunt a more comfortable experience, the Redneck Chair will allow you to log those long hours in pursuit of your trophy.

The Redneck Portable Hunting Chair sports a silent swivel seat capable of 180 degree turns and three independent, height adjustable legs that allow you to hunt effectively on uneven ground. The flexibility of this chair combined with its steel, black powder coated frame has created a tool fit for any conditions the season may bring.

Being able to pick up and move quickly is easy with this chair as it collapses in just seconds and with it's extremely durable nylon carrying strap, moving while carrying the chair is an effortless task. Before entering the woods this fall take your comfort into consideration with Redneck's revolutionary hunting chair.

SPECS:

- Load Capacity: 400 lbs
- Adjustable Seat Height
- Black Powder Coated Steel Frame
- Removable / Washable Seat Cover
- Self-Leveling Feet
- MSRP: \$99.00
